

California Statutory Forms for Assisted Reproduction, Form 3:

Intended Parents Conceiving a Child Using Eggs from One Parent and the Other Parent Will Give Birth

Use this form if: You are conceiving a child using the eggs from one of you and the other person will give birth to the child; (2) and you both intend to be parents to that child.

Do not use this form if you are conceiving using a surrogate.

WARNING: Signing this form does not terminate the parentage claim of a sperm donor. A sperm donor's claim to parentage is terminated if the sperm is provided to a licensed physician and surgeon or to a licensed sperm bank prior to insemination, or if you conceive without having sexual intercourse and you have a written agreement signed by you and the donor that you will conceive using assisted reproduction and do not intend for the donor to be a parent, as required by Section 7613(b) of the Family Code.

The laws about parentage of a child are complicated. You are strongly encouraged to consult with an attorney about your rights. This form demonstrates your intent to be parents of the child you plan to conceive through assisted reproduction using eggs from one parent and the other parent will give birth to the child.

I, _____ (print name of parent giving birth), plan to use assisted reproduction to conceive and give birth to a child with another person who will provide eggs to conceive the child. I INTEND for the person providing eggs to be a parent of the child to be conceived.

I, _____ (print name of parent providing eggs), plan to use assisted reproduction to conceive a child with another person who will give birth to the child conceived using my eggs. I INTEND to be a parent of the child to be conceived.
